Hlo Team,

I hope you're doing well. I am writing to kindly request an experience letter from Flipkart for my tenure as Executive from 4-September-2023 to 17-January-2025. The letter will be helpful for my future career pursuits, and I would greatly appreciate it if you could include details of my job responsibilities, skills acquired, and contributions made during my time at the company.

Please let me know if any additional information is needed. I look forward to your positive response.

Thank you for your support.

Sincerely,  
Mujtaba Ali
